

COMPACT

MAKING TRANSPORT ACCESSIBLE

The Compact Low Floor Accessible Vehicle offers a full length flat floor and seating for upto 11 passengers, plus driver.

No need for lifts. The low floor, kneeling air suspension, and single step or ramp entry and exit make the Compact easily accessible to all your passengers, regardless of mobility.

The rear independent trailing link and air suspension not only make entry and exit easier, it contributes to class leading ride quality too.

Engine

The Compact is built on the renowned VW T5 platform to give reliability, serviceability and the full range of model options. The 130 PS 5 cylinder 2.5 litre TDI diesel engine is available with either six-speed manual gearbox or automatic six-speed Tiptronic transmission.

Features

- Wide choice of flexible seating layouts.
- Capacity for upto 3 wheelchairs.
- Double electrically operated and interlocked plug type front door with fold out ramp option.
- The large windows and glass roof hatch give the passenger saloon a spacious, airy feel.
