ACCESSIBLE CONVERSIONS

Bluebird Vehicles Ltd offer a full range of Van Conversion services for manufacturers, distributors, dealers, and operators. Our customers include vehicle manufacturers and distributors, local authorities, community transport groups, charities, lease/hire companies and private operators throughout the UK.

Accessible minibuses based on a wide range of base vehicles are offered, as well as standard minibus conversions and more specialised conversions for other types of vehicle.

Bluebird Vehicles also design and manufacture a full range of coach built Low Floor vehicles such as accessible buses (up to 20 seats) and mobile libraries.

Whether you are looking for a single vehicle or several hundred, Bluebird have the experience to produce consistent high quality results.

Conversion work undertaken includes the installation of flooring and seat tracking, seats, windows, blinds, saloon heaters and climate control systems, passenger lifts, fixed and retractable steps, luggage storage, driver screening, lighting, safety equipment and much more.

Vehicle seating layout is custom designed to suit your needs and give maximum flexibility in use for seated passengers and wheelchair users.

Iveco with flat, fully tracked floor, wipe clean surfaces, window mouldings, and air conditioning fitted.

Internal and externally mounted passenger lifts.
