

TUCANA

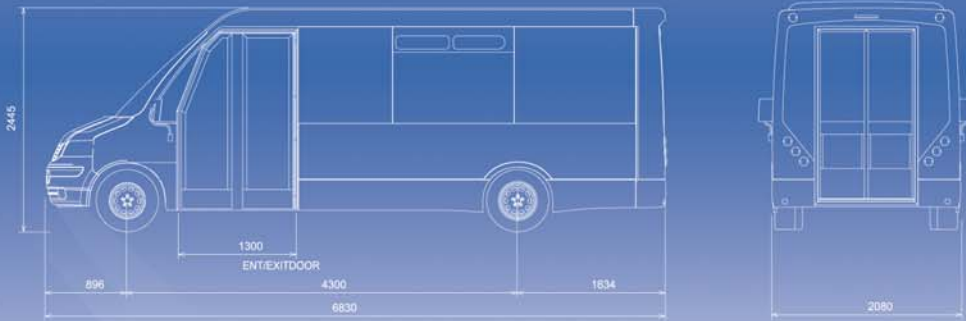

MAKING TRANSPORT ACCESSIBLE

The Tucana Low Floor Accessible Vehicle offers a full length flat floor and seating for up to 15 passengers, plus driver.

No need for lifts. The low floor, kneeling air suspension, and single step or ramp entry and exit make the Tucana easily accessible to all your passengers, regardless of mobility.

The rear independent trailing link and air suspension not only make entry and exit easier, it contributes to class leading ride quality too.

Seating layouts are flexible and configurable, just choose the combination of fixed, removable, and tip/fold seats to suit your needs.

Engine

Tucana is built on the renowned VW T5 platform to give reliability, serviceability and the full range of model options. The 140 PS 4 cylinder 2.0 litre Euro 5 diesel engine is available with either six-speed manual gearbox or automatic six-speed Tiptronic transmission.

Features

- Wide choice of flexible seating layouts.
- Capacity for up to 5 wheelchairs.
- Fully tracked floor.
- Double rear doors with fold-out ramp, or coach back option.
- Single or double electrically operated and interlocked plug type front door with ramp option.
- Colour reversing camera and monitor.
- The large windows and glass roof hatch give the passenger saloon a spacious, airy feel.
- Stage carriage equipment options.
- Wide range of options and custom fitments.
